Types of Data collected

Among the types of Personal Data that The Application Priorité Commerces collects, by itself or through third parties, there are: Cookie and Usage Data.

Other Personal Data collected may be described in other sections of this privacy policy or by dedicated explanation text contextually with the Data collection.

The Personal Data may be freely provided by the User, or collected automatically when using The Application Priorité Commerces.

Any use of Cookies - or of other tracking tools - by The Application Priorité Commerces or by the owners of third party services used by The Application Priorité Commerces, unless stated otherwise, serves to identify Users and remember their preferences, for the sole purpose of providing the service required by the User.

Failure to provide certain Personal Data may make it impossible for The Application Priorité Commerces to provide its services.

The User assumes responsibility for the Personal Data of third parties published or shared through The Application Priorité Commerces and declares to have the right to communicate or broadcast them, thus relieving the Data Controller of all responsibility.

## Mode and place of processing the Data

### Methods of processing

The Data Controller processes the Data of Users in a proper manner and shall take appropriate security measures to prevent unauthorized access, disclosure, modification, or unauthorized destruction of the Data.

The Data processing is carried out using computers and/or IT enabled tools, following organizational procedures and modes strictly related to the purposes indicated. In addition to the Data Controller, in some cases, the Data may be accessible to certain types of persons in charge, involved with the operation of the site (administration, sales, marketing, legal, system administration) or external parties (such as third party technical service providers, mail carriers, hosting providers, IT companies, communications agencies) appointed, if necessary, as Data Processors by the Owner. The updated list of these parties may be requested from the Data Controller at any time.

### Place

The Data is processed at the Data Controller's operating offices and in any other places where the parties involved with the processing are located. For further information, please contact the Data Controller.

### Retention time

The Data is kept for the time necessary to provide the service requested by the User, or stated by the purposes outlined in this document, and the User can always request that the Data Controller suspend or remove the data.

### The use of the collected Data

The Data concerning the User is collected to allow the Application to provide its services, as well as for the following purposes: Access to third party services' accounts, Creation of the user in app profile, Content commenting and Interaction with external social networks and platforms.

The Personal Data used for each purpose is outlined in the specific sections of this document.

### Facebook permissions asked by The Application Priorité Commerces

The Application Priorité Commerces may ask some Facebook permissions allowing it to perform actions with the User's Facebook account and to retrieve information, including Personal Data, from it.

For more information about the following permissions, refer to the Facebook permissions documentation (<https://developers.facebook.com/docs/authentication/permissions/>) and to the Facebook privacy policy (<https://www.facebook.com/about/privacy/>).

The permissions asked are the following:

### Basic information

By default, this includes certain User's Data such as id, name, picture, gender, and their locale. Certain connections of the User, such as the Friends, are also available. If the user has made more of their data public, more information will be available.

## Likes

Provides access to the list of all of the pages the user has liked.

## Publish to the Wall

Enables the app to post content, comments, and likes to a user's stream and to the streams of the user's friends.

## Detailed information on the processing of Personal Data

Personal Data is collected for the following purposes and using the following services:

### Access to third party services' accounts

## Additional information about Data collection and processing

### Legal action

The User's Personal Data may be used for legal purposes by the Data Controller, in Court or in the stages leading to possible legal action arising from improper use of The Application Priorité Commerces or the related services.

The User is aware of the fact that the Data Controller may be required to reveal personal data upon request of public authorities.

### Additional information about User's Personal Data

In addition to the information contained in this privacy policy, The Application Priorité Commerces may provide the User with additional and contextual information concerning particular services or the collection and processing of Personal Data upon request.

## System Logs and Maintenance

For operation and maintenance purposes, The Application Priorité Commerces and any third party services may collect files that record interaction with The Application Priorité Commerces (System Logs) or use for this purpose other Personal Data (such as IP Address).

## Information not contained in this policy

More details concerning the collection or processing of Personal Data may be requested from the Data Controller at any time. Please see the contact information at the beginning of this document.

## The rights of Users

Users have the right, at any time, to know whether their Personal Data has been stored and can consult the Data Controller to learn about their contents and origin, to verify their accuracy or to ask for them to be supplemented, cancelled, updated or corrected, or for their transformation into anonymous format or to block any data held in violation of the law,

as well as to oppose their treatment for any and all legitimate reasons. Requests should be sent to the Data Controller at the contact information set out above.

The Application Priorité Commerces does not support “Do Not Track” requests. To determine whether any of the third party services it uses honor the “Do Not Track” requests, please read their privacy policies.

#### Changes to this privacy policy

The Data Controller reserves the right to make changes to this privacy policy at any time by giving notice to its Users on this page. It is strongly recommended to check this page often, referring to the date of the last modification listed at the bottom. If a User objects to any of the changes to the Policy, the User must cease using The Application Priorité Commerces and can request that the Data Controller erase the Personal Data. Unless stated otherwise, the then-current privacy policy applies to all Personal Data the Data Controller has about Users.

#### Information from the use of our Applications

When you use our mobile apps, we may collect certain information in addition to information described elsewhere in this Policy. For example, we may collect information about the type of device and operating system you use. We may ask you if you want to receive push notifications about activity in your account. If you have opted in to these notifications and no longer want to receive them, you may turn them off through your operating system. We may ask for, access or track location-based information from your mobile device so that you can test location-based features offered by the Services or to receive targeted push notifications based on your location. If you have opted in to share those location-based information, and no longer want to share them, you may turn sharing off through your operating system. We may use mobile analytics software (such as crashlytics.com) to better understand how people use our application. We may collect information about how often you use the application and other performance data.
